Pizza and cheese,
*chosen
properly.*

One shortlist per job instead of six that overlap. Every line in this catalogue was selected for a reason we can tell you, and every reason is printed beside it.

Every food distributor in the Gulf sells the same promise: scale. We sell the opposite — *a buying decision, not a warehouse.*

This catalogue covers pizza and cheese only. That is deliberate. A pizza section lives or dies on four or five decisions, and we would rather be genuinely useful on those than adequate across two hundred lines. Prices are issued separately so this document stays accurate all year. Samples are available on every line.

Cheese for Pizza

The cheese decides the pizza. We carry one option per job rather than six that overlap — a block that browns, a julienne that does not clump, and fresh mozzarella cut for a pizzaiolo rather than a deli counter.

CT-CHZ-0101	Mozzarella Block, Pizza Low moisture, high melt. Browns evenly without oiling off at 300 °C.	HALAL	UAE · 1.00 kg × 6 · 6.00 kg · 6 months · -18 °C · MOQ 10 cs
CT-CHZ-0102	Mozzarella Julienne, 1.8 mm Cut at 1.8 mm so it melts before the base colours. Anti-caking agent: potato starch.	HALAL	UAE · 2.00 kg × 6 · 12.00 kg · 6 months · -18 °C · MOQ 10 cs
CT-CHZ-0111	Fior di Latte, block Cut as a log, not a ball. Drier by design so a Napoletana does not flood.	HALAL	UAE · 1.00 kg × 6 · 6.00 kg · 21 days · -18 °C · MOQ 5 cs
CT-CHZ-0115	Mozzarella di Bufala Airfreight, Tuesday arrival. Order Sunday. Consortium seal on every pack.	HALAL	UAE · 1.00 kg × 6 · 6.00 kg · 20 days · -18 °C · MOQ 3 cs
CT-CHZ-0120	Burrata Goes on after the oven, never before. Airfreight with the bufala.	HALAL	UAE · 1.00 kg × 6 · 6.00 kg · 18 days · -18 °C · MOQ 3 cs
CT-CHZ-0130	Provolone Dolce, sliced Interleaved slices. For calzone and anything that needs to melt under a lid.	HALAL	UAE · 1.00 kg × 6 · 6.00 kg · 90 days · -18 °C · MOQ 3 cs

SECTION 02 · 3 LINES

Cheese, Table & Kitchen

Everything else a pizza kitchen actually reaches for — the hard cheese on the grater, the blue on the quattro formaggi, the soft cheese in the dessert. Shorter list than a cheese specialist, chosen to be used rather than displayed.

CT-CHZ-0202	Grana Padano HALAL Grated on arrival week, not on production week. Ask for the pack date.	UAE · 1.00 kg × 10 · 10.00 kg · 6 months · -18 °C · MOQ 3 cs
CT-CHZ-0220	Mascarpone HALAL For tiramisu, which is on every pizzeria menu in this city.	UAE · 250 g × 12 · 3.00 kg · 60 days · -18 °C · MOQ 3 cs
CT-CHZ-0221	Ricotta, cow HALAL Drained. Holds its shape in a calzone rather than weeping through the seam.	UAE · 1.50 kg × 4 · 6.00 kg · 30 days · -18 °C · MOQ 2 cs
